

Linking Nordic Companies with China's Online Consumers

Danish-Chinese Business Forum, Ehubnordic and Dansk Erhverv are pleased to invite you to an e-commerce seminar where we will look closer into how to approach China's online consumer market. Get the newest figures and consumer trends from Alibaba Group. The establishment of partnerships can be an important way of entering a new market. Get insights into the advantages that can be obtained. The seminar will provide you with knowledge and tools to start online sales in China. The speakers will share their experiences of how they are challenged by the online sales channels and how they accommodate these challenges.
